

RULE 506(c) COMPLIANCE PACK

Humble Dome Gas Project — CLADUTA CORPORATION

1. FORM D COMPLIANCE & FILING CHECKLIST

Federal SEC Requirements

- Prepare Form D electronically via EDGAR
- File within 15 days of first sale of securities
- Retain all offering materials and investor records
- File amendment if material changes occur
- Annual amendment filing if offering continues >1 year

State Blue Sky Filings

- Identify states where investors reside
- Submit state Form D notice filings
- Pay applicable filing fees
- Provide copies of offering materials if required
- Track filing deadlines (typically 15-30 days post-sale)

Advertising & Solicitation Compliance

- All marketing states 'accredited investors only'
- Include 506(c) risk & disclosure language on all materials
- No sales until accreditation verified
- Maintain copies of all advertisements and outreach
- Website includes proper disclaimers

Ongoing Record Keeping

- Maintain investor communication logs
- Retain all subscription agreements
- Maintain accreditation verification records
- Document reasonable steps taken to verify each investor
- Keep records for minimum 5 years

2. APPROVED DISCLOSURE LANGUAGE

Use this language on website, pitch decks, emails, and all communications:

- This offering is conducted pursuant to Rule 506(c) of Regulation D and is open only to verified accredited investors.
- Investment involves significant risk and loss of capital is possible.
- Past performance does not guarantee future results.
- No securities will be sold until investor accreditation is independently verified.
- This is not an offer to sell securities in any jurisdiction where prohibited.
- Oil and gas investments are speculative and may result in total loss of investment.

Email / Website Footer Sample

"This communication relates to a private offering pursuant to Regulation D Rule 506(c). Participation is limited to verified accredited investors only. This is not investment advice and does not constitute a public securities offering. Securities offered by CLADUTA CORPORATION."

3. ACCREDITED INVESTOR VERIFICATION METHODS

Rule 506(c) requires issuers to take 'reasonable steps' to verify accredited status. Acceptable methods:

Income Test (\$200K individual / \$300K joint)

- Review of IRS forms: W-2, 1099, K-1, or tax returns for past 2 years
- Written confirmation from CPA, attorney, or registered investment advisor
- Third-party verification service (VerifyInvestor, Parallel Markets, etc.)

Net Worth Test (\$1M excluding primary residence)

- Review of bank/brokerage statements dated within 90 days
- Third-party appraisals for non-liquid assets
- Credit report to identify liabilities
- Written confirmation from CPA, attorney, or registered investment advisor

Professional Certifications

- FINRA BrokerCheck verification of Series 7, 65, or 82 license
- Confirmation of 'knowledgeable employee' status
- Verification of director/executive officer status

Entity Investors

- Review of audited financial statements showing >\$5M assets
- Verification that all equity owners are accredited (for pass-through)

- Trust: review of assets + sophistication of grantor/trustee

4. INVESTOR VERIFICATION LOG TEMPLATE

Maintain this log for each investor:

Field	Record
Investor Name	_____
Date of Subscription	_____
Investment Amount	\$ _____
Accreditation Basis	■ Income ■ Net Worth ■ Entity ■ License
Verification Method Used	_____
Documents Reviewed	_____
Verified By (Name)	_____
Verification Date	_____
Notes	_____

Important: Retain all verification documentation for at least 5 years. Self-certification alone is NOT sufficient under Rule 506(c). The issuer must take reasonable steps to verify accreditation.
